

ABOUT OUR COMPANY

Company

Mortech is a mortgage technology company created by mortgage professionals, for mortgage professionals.

- Founded in 1987
- Operated by highly seasoned mortgage experts with more than 20 years of experience
- Created the first pricing engine, SRPcalc
- Headquartered in Lincoln, Nebraska

Customers

Mortech's customers are comprised of lenders, brokers, loan officers and several other financial industry professionals.

- More people choose Mortech – over 300 satisfied customers with more than 10,000 aggregate users
- Mortech treats customers with honesty and never makes any promises that cannot be kept
- Mortech's success is directly measured by the continued success of clients
- Superior customer support – local, friendly, knowledgeable and always instantly available

Supported Investors

By maintaining the most accurate and up-to-date investor data, Mortech ensures that customers can locate the right product at the right price for their prospective clients. Product and pricing information from not only major investors, but down to the most local and niche organizations, is maintained by industry experts in real time.

Partners

Mortech takes pride in working with some of the most successful companies in the industry. A proven track record with other financial integrators exemplifies Mortech's strong commitment to continuously remaining a loyal partner. Mortech works in cooperation with the following companies to constantly improve the service provided to clients.

- AllRegs
- Calyx Software
- LendingTree
- LoanRunner
- SoftVu

“ MOST PRODUCTS ARE HEAVY ON THE PROMISES AND SLOW ON THE DELIVERY...

MARKSMAN IS JUST THE OPPOSITE.” - Roy Sommer, Director of Secondary Marketing
1st Suburban Mortgage

Featured Product

Marksman, Mortech's flagship web-based software, simplifies the complex and time-consuming routines associated with daily pricing, product decisioning and prospect management. Marksman is a cost effective, full-service solution that offers a comprehensive set of tools to automate, simplify and manage lender information in a robust format.
